PERFUMES

COMPANY PROFILE

About Us

Kayan Al Rooh Perfume LLC is a leading fragrance house in the UAE, bringing over 35 years of expertise in crafting elegant, artfully composed perfumes.

We partner with brands to craft refined, market-ready fragrances that express identity, culture, and luxury.

“Fragrances that echo the soul and tell your story.”

Our Vision

At Kayan Al-Rouh, our vision is to become a contemporary luxury perfume house, distinguished by refined elegance, masterful craftsmanship, and fragrances that create a lasting legacy.

We believe fragrance is a universal language that weaves stories and shapes identities, redefining standards of purity, creativity, and personal expression in modern luxury perfumery.

Our Message

At Kayan Al Rooh, we work to empower our clients to transform their ideas into fragrances that carry their unique signature.

We provide integrated perfume manufacturing and private label solutions, guided by decades of expertise and a passion for fine perfumery.

We are dedicated to continuous innovation, the careful selection of the finest ingredients, and the cultivation of partnerships built on trust, quality, and distinction.

OUR PRODUCTS

We provide professional perfume manufacturing services built on meticulously crafted formulations, consistent quality, and elevated production standards, delivering a final product befitting ambitious brands.

Fragrance Oils

Kayan Al Rooh uses authentic, high-purity ingredients from certified suppliers to ensure lasting quality and fragrance integrity.

Kayan Al Rooh complies with UAE regulatory requirements, with all fragrance products overseen by the Emirates Authority for Standardization and Metrology (ESMA) to ensure full quality and safety compliance.

A collection of various perfume bottles and caps arranged on a white surface. The bottles come in different shapes, sizes, and colors (clear, yellow, red, brown). Some have black caps, others silver or gold. They feature various logos, including a stylized leaf or flame design. The arrangement is artistic, with some bottles lying on their sides and others upright. The background is a plain, light-colored surface.

Perfume Bottles

Kayan Al Rooh offers custom and ready-made perfume packaging in various sizes and designs, selected to meet quality, safety, and product compatibility standards.

We offer the capability to develop custom packaging molds for mass production upon request, in coordination with certified suppliers and in compliance with global brand requirements.

Bottle Caps

Kayan Al Rooh offers a curated range of bottle caps in diverse designs, finishes, materials, and colors—allowing brands to align packaging details with their unique identity and aesthetic.

We offer custom bottle cap shapes and finishes upon request, ensuring technical compatibility and seamless integration with the product's overall design.

Design & Packaging

Kayan Al Rooh offers comprehensive paper and rigid packaging solutions, including eco-friendly options, carefully selected to balance quality, aesthetics, and production requirements.

Our design department also develops the visual identity of packaging, including logo design, color palettes, as well as the design of bags and packaging accessories, ensuring a cohesive and fully integrated brand experience.

Manufacturing & Filling

Kayan Al Rooh Perfume provides fully integrated production and filling services, powered by advanced manufacturing lines engineered for maximum efficiency and swift execution to support brands of all scales.

Production timelines range from 4 to 8 weeks depending on order volume, supported by a comprehensive quality control system that ensures precision, compliance, and reliable final products.
